Dining room minimums

We have modified minimums to allow more flexibility. The amounts will remain the same, but the timing will be different. The first minimum of \$200 will need to be used by August 1st and the second \$200 by the end of the dining room season. The \$500 prepay option is also still available. We understand that some people may not feel comfortable coming to the dining room to eat so we will be extending our call ahead take-out option through the season.
