

Welcome to PYC and the [2025 29er North American Championship](#). We are so pleased to be able to host this regatta, and to share our club and its facilities with you. We are a very active sailing club, and we host the following weekly events:

- Monday night Laser/Junior Racing
- Tuesday night Etchells
- Wednesday night J/24
- Thursday night PHRF

...so our parking lot and facilities are actively in demand. Here are a few very important logistical items to note as you prepare to join us later this week:

- For all boat / trailer placement questions, please contact Regatta Chair Tom Sitzmann, 443.220.2089
- We look forward to an informal burgers/dogs cookout after sailing on Saturday evening under the tent at PYC.
- PYC is also pleased to open our member's dining room for visiting parents for Lunch/Dinner Friday, and Dinner on Saturday. If you have any questions about this please contact Regatta Chair Tom Sitzmann 443.220.2089
- If you have several vehicles, please plan to carpool. Each team will receive 1 parking pass for our lot for this event. No more. Cars that do not have parking passes will be towed. This parking pass is NOT valid until Friday morning (Thursday evening is very crowded here). You may drop off/pick up Thursday until 1600.
- Off-site parking is available in the back lot of [Holy Martyrs Church](#), access to this lot is on Johnson Rd. off Rte 88. In Falmouth. (see map below). This parking lot has simple pay-to-park instructions and designated places to park. This may well be your best bet for parking.
- You are welcomed to come any day this week from 0900-1600 before the regatta to bring your 29er and trailer, and may rig and practice at your leisure.
- All trailers must be stored in the back lawn/lot.
- All boats on dollies/trolleys must be stored on the back lawn for the event. Loading of trailers at the end of the event must also be done on the back lawn.
- Starting Friday and through the end of the event, boats may be stored in the PYC Junior Boat Park, or the back grass lot.
